A cartoon illustration of a woman with dark hair, wearing a black top and skirt, shouting into a megaphone. The megaphone has the word 'TRUTH' written on it. She is pointing her right index finger upwards.

A cartoon by Mark New. A man with a large nose, a mustache, and orange hair is sitting on a beach. He is wearing a black bikini. He is looking at a tombstone that says "TOMMY". The man has a shocked or surprised expression. The tombstone is simple, with the name "TOMMY" on top. The background shows a beach with some birds in the sky. The artist's signature "New" and the date "3-12" are in the bottom right corner.
